**AGREED MOTION FOR A THREE  
CALENDAR MONTH EXTENSION OF TIME PERIODS**

The Opposer, Goulds Pumps, Incorporated, through its attorneys, hereby with the consent to the Extension of Time of Applicant's counsel, requests that the Discovery time period and all subsequent time periods be extended by an additional three (3) calendar months to the following dates:

THE PERIOD FOR DISCOVERY TO CLOSE:	April 10, 2003
Testimony period for party in position of plaintiff to close (opening thirty days prior thereto)	July 10, 2003
Testimony period for party in position of defendant to close (opening thirty days prior thereto)	September 9, 2003
Rebuttal testimony period to close (opening fifteen days prior thereto)	October 24, 2003

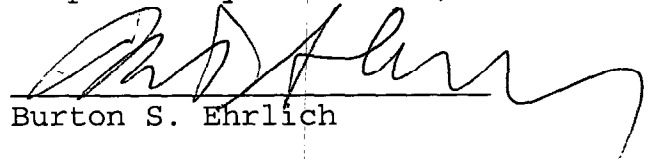

This motion is submitted on the basis that the parties are continuing to attempt to resolve this matter amicably through settlement and additional time is needed to consider possible settlement opportunities. In fact recent communications between counsel indicate that new commercial developments have occurred which would appear to provide a basis for the settlement of this

DD

matter. The recent holiday period and corporate personnel changes have somewhat recently delayed the further consideration of settlement and the obtaining of information. Presently certain commercial information is being obtained and if the information shows the expected information then counsel for the parties believe that the basis will exist for the settlement of this matter. Additionally time is needed to obtain the commercial information and for the possible finalization of settlement.

Counsel for the Applicant has consented to the Extension of time and it is respectfully requested that this motion be granted.

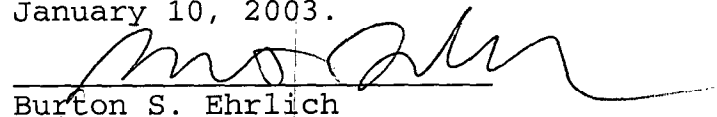

Respectfully submitted,

  
Burton S. Ehrlich
